About This Collection

McKeyes presents a racy Plants vs Zombies porn comic set during a dangerous Playdate, where a babe plant was very eager for action. The adult comic delivers steamy PVZ action with a plant girl who wanted to get fucked hard. This xxx manga-style porncomic mixes Rule34 fun with a twist. In the Time Snare scenario, the sexy Solar Flare with big tits and the pretty Beta-Carrotina star in an erotic hentai showdown. See the full gallery via the link above.
