About This Collection

Explore the search for the best Nova Launcher alternatives as Android users weigh Nova Launcher's uncertain future after 13 years. This gallery follows Android Authority, Tom's Guide, TechRadar, NotebookCheck and Samsung Magazine through Lawnchair, Niagara-inspired features, adaptive icons and launcher-like customization for Android, iOS and Windows. With the lead developer's role in Nova Launcher's future left unclear, the options feel timely. View the full gallery through the link above.
