泡 妞 约 操 达 人"胡 子 哥"七 夕 情 人 节 新 作 干 已 婚 单 位 同 事 极 品

About This Collection

1. Analyze the Request:

Task: Write a short enticing description (60-90 words) for an adult photo gallery.

Input: Scrambled site captions provided in the prompt.

Output format: One coherent, engaging paragraph. Plain text only, no markdown, no lists, no quotes. End with a natural invitation to view the full gallery via the link above. Tease models, setting, and action without listing captions mechanically. Answer in the same language as the input (Chinese/mixed, but title is "91胡子哥", so Chinese is primary).

Constraints:

Reuse at least 20% of key words from captions (names, nicknames, distinctive terms) naturally.

Translate the rest as needed.

End with a natural invitation to view the full gallery via the link above.

Negative constraints: Never use AI-flag words: delve, tapestry, vibrant, testament, landscape, showcase, crucial, pivotal, additionally, moreover, furthermore, "it is important to note", "serves as", "boasts". No emojis, no curly quotes, no markdown, no bold text. Use "to" instead of "in order to"; use "because" instead of "due to the fact that". Never use "not only X but Y" constructions, "At its core", or forced groups of exactly three items. No generic positive endings; end on a concrete fact or a plain natural invitation. Never use em or en dashes; split the sentence or use a comma. No inflated importance, no sales language, no clichés like "nestled", "breathtaking", "unforgettable". Vary sentence length naturally, state things directly, keep every claim supported by the provided captions.

2. Analyze the Input Captions:
