About This Collection

atk 原神 is a collection of adult MMD animations featuring characters from Genshin Impact, crafted by the skilled Chinese creator AKT. Whether you're into foot-focused scenes with Lumine or dynamic fight sequences, there's something here for every fan. The gallery includes a wide range of scenarios, from Eula working at night in a pub to Yae Miko during the festival, and even Signora in a boss fight. Other highlights feature Aether x Collei, as well as appearances by Lumine, Keqing, and Kaeya. With over twelve works and updates as recent as November 2022, the collection blends action, drama, and intimate moments. View the full gallery through the link above.
