About This Collection

Step into the world of Castle Cats where Bella and Blaze share a silver furred battlefield of desire. Brown bodied felines roam castlecats corridors, their silverbody glistening under a mist of bodilyfluids. Cate Meowdy adds a spell of charm(spell) as cunnilingus and collars become part of the scene. The gallery captures every moment of heat, dominance, and playful rebellion. Misto’s encouragement sparks a storm of feral passion, while a calico cat in armor and blue eyes watches with claws ready.
