About This Collection

" Set against a backdrop reminiscent of Shangri-La, the models channel everything from youthful rebellion to refined elegance, with nods to Roselia and the enigmatic Ishizue no Kakan. Some strike poses inspired by Samuraidol, blending strength and grace, while others echo the playful spirit of Seisyun no Arc and the whimsical charm of Waji Taro. Each image pulses with the creative spirit of visual kei, capturing moments that range from tender to fierce. View the full gallery via the link above.
