About This Collection

Mila Sobolov leads morning yoga at home, with Mia in the gymnastics clip. Nude yoga and naked yoga share the frame with hot yoga, while YouTube and Instagram links sit near a Pinterest tag for xobelin. As miladoesyoga and milalovesyoga, she moves from puppy pose into a heart opening backbend, lets assisted deep leg stretching and relaxing yoga hold the shot. Hottyfit energy meets contortion and espacate, keeping lines long through side angle pose and full body stretch. View the full gallery via the link above.
